

ACADA'S WORKSHOP SERIES AT DEFSEC ATLANTIC CALL FOR SPEAKERS

As the long-term presenting sponsor for DEFSEC Atlantic, ACADA is focused on providing increasing value to our members and the industry as a whole in our programming.

In addition to ACADA's support of the B2B program, presentation hall, SME Zone and academic day of connection, we are excited to launch an all new workshop series at DEFSEC Atlantic!

This special space at the event is for consultants and service providers to the industry. It is your direct line to the A&D industry; a chance to highlight your business' expertise in serving the A&D sector!

CALL FOR EXPERT WORKSHOPS

Applications are open for one-hour workshop slots in the all-new ACADA workshop series at DEFSEC Atlantic! These opportunities are for subject-matter experts who offer valuable services to the A&D industry in the areas of HR, finance, cyber security, policy development, contract negotiation, and other core business areas. We encourage dynamic, interactive workshop sessions.

\$2,500 +HST
six opportunities available

WORKSHOPS

Workshops will take place on October 4 & 5 and will be free to attend by conference attendees and promoted by ACADA and DEFSEC Atlantic.

SELECTION

Submissions will be reviewed for quality and variety of topics. Selected speakers will be invoiced for the opportunity to present following selection.

CONTACT

The deadline for applications has been extended to September 8 at 1pm AST. Please reach out to allan@ac-ada.ca with questions.
